Dear Donna,

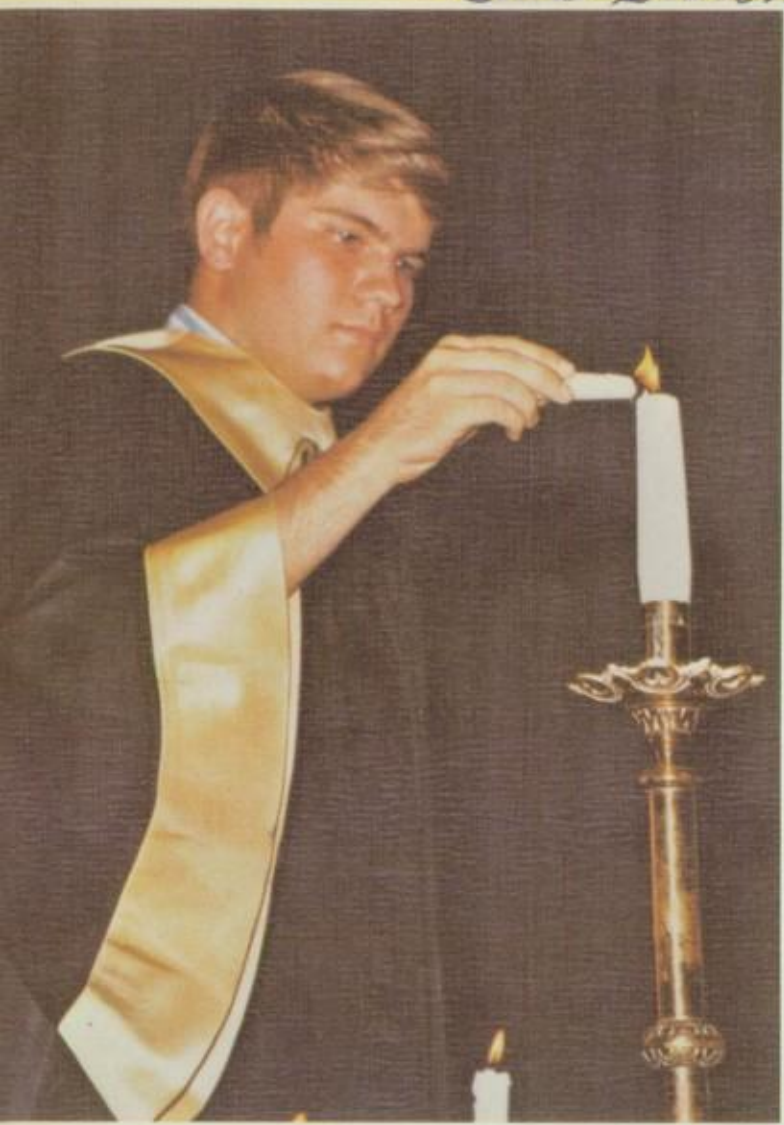

I doubt if I can fill up all that space, but I'll try! There is alot to write about you though!

Donna, this year has been one of the most memorable in my life. I consider you one of my very best friends, I hope it will always be that way. Sorry this about all I can say besides you are very cute and sweet so stay that way!

72-73 But through which we may also experience the greatest of love.

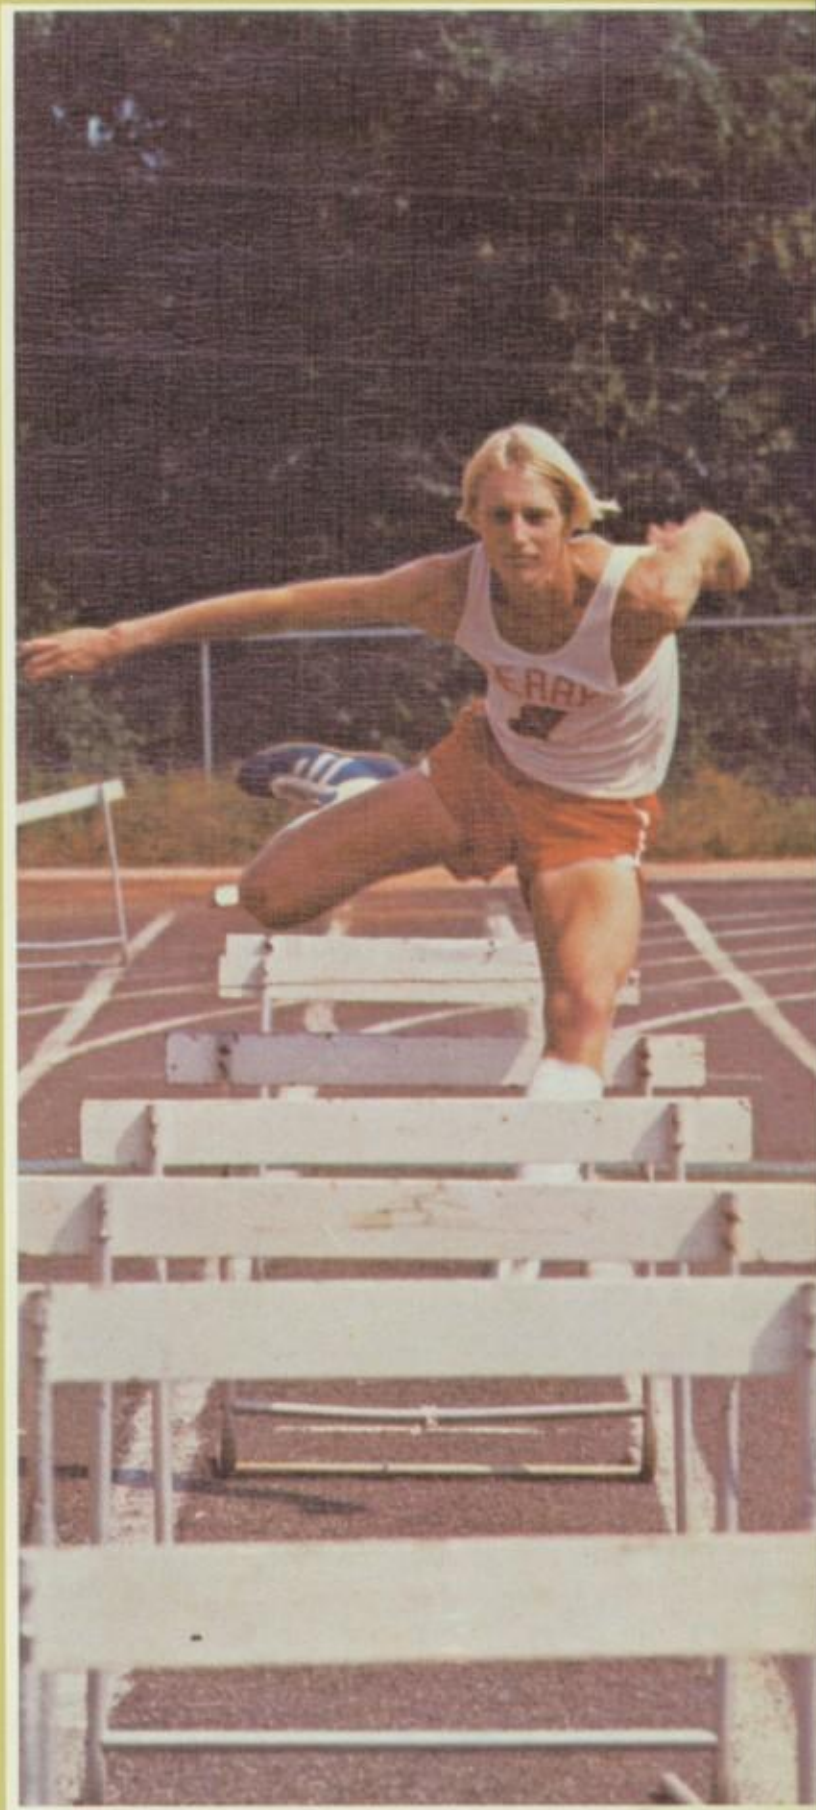

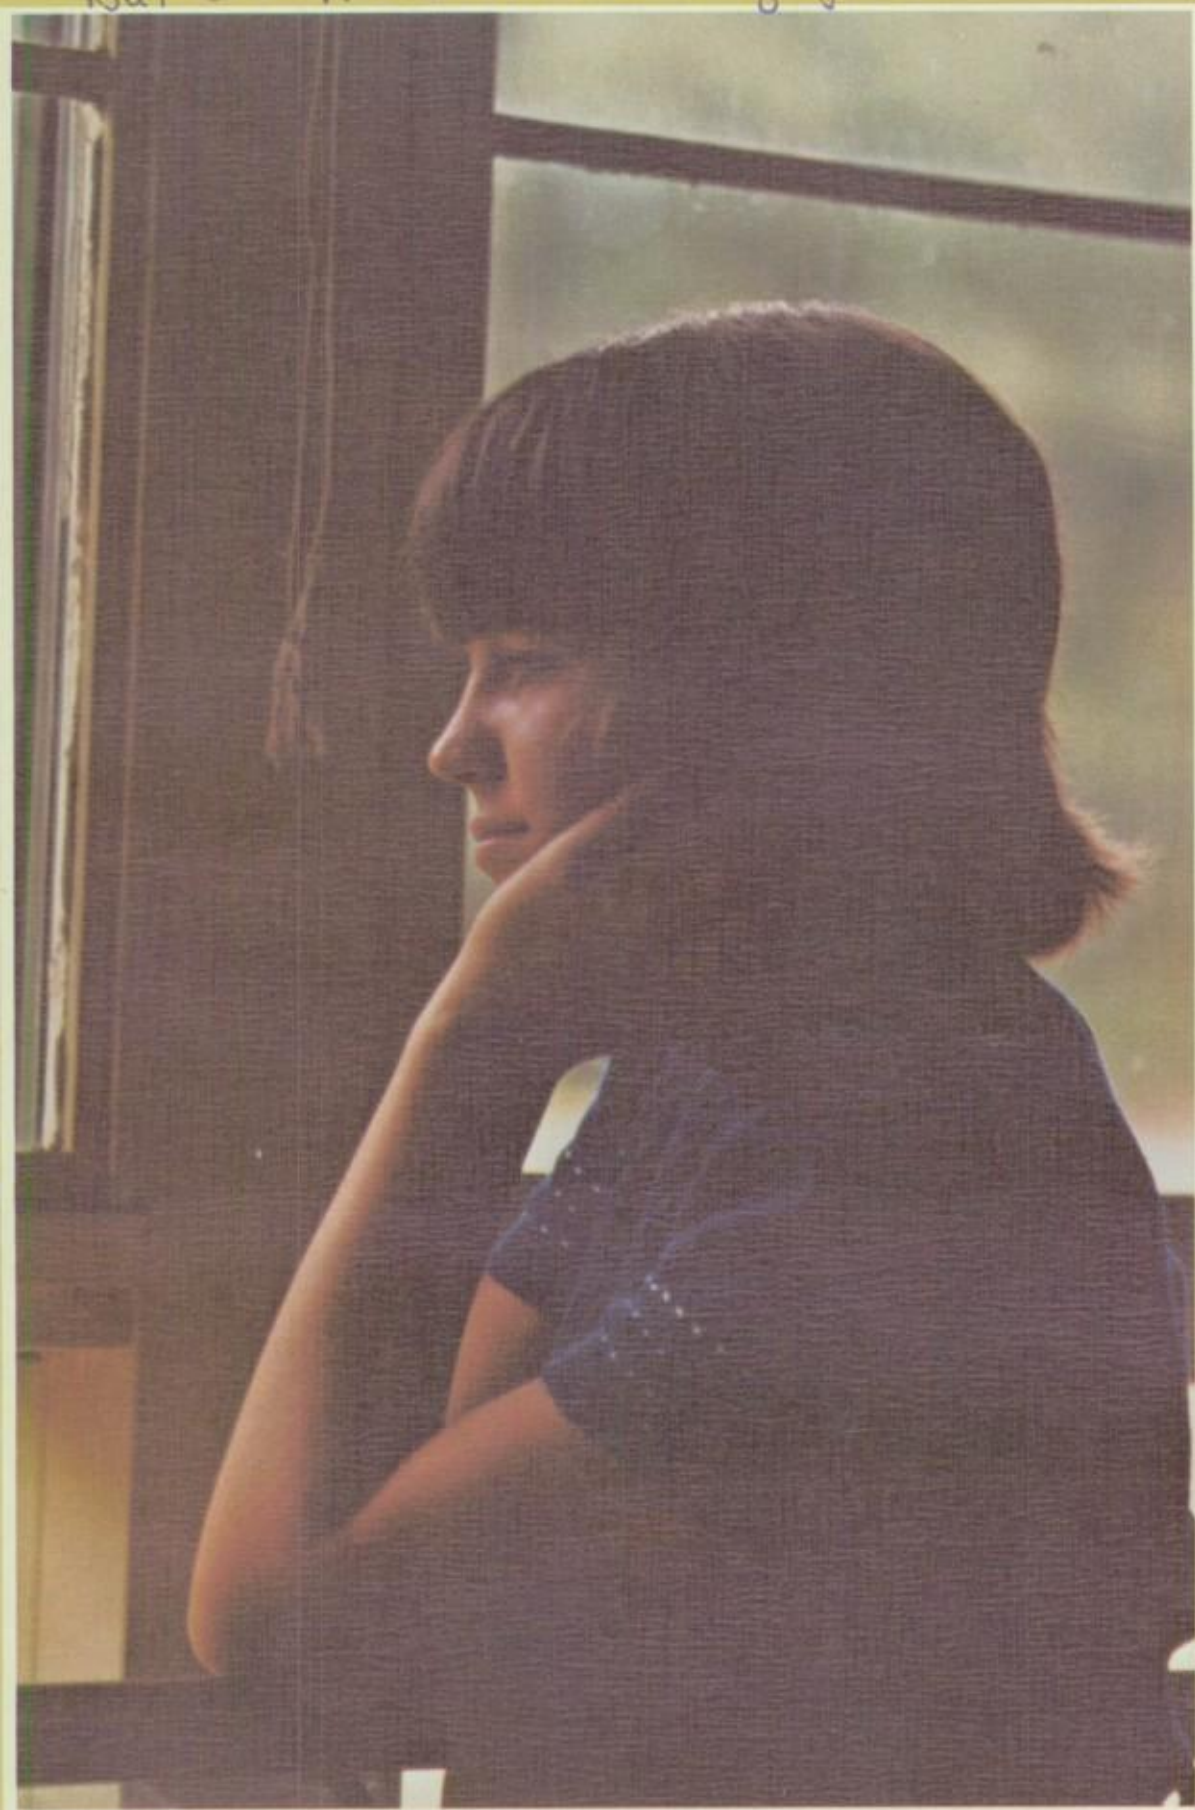

Love ya

Kim Jenkins

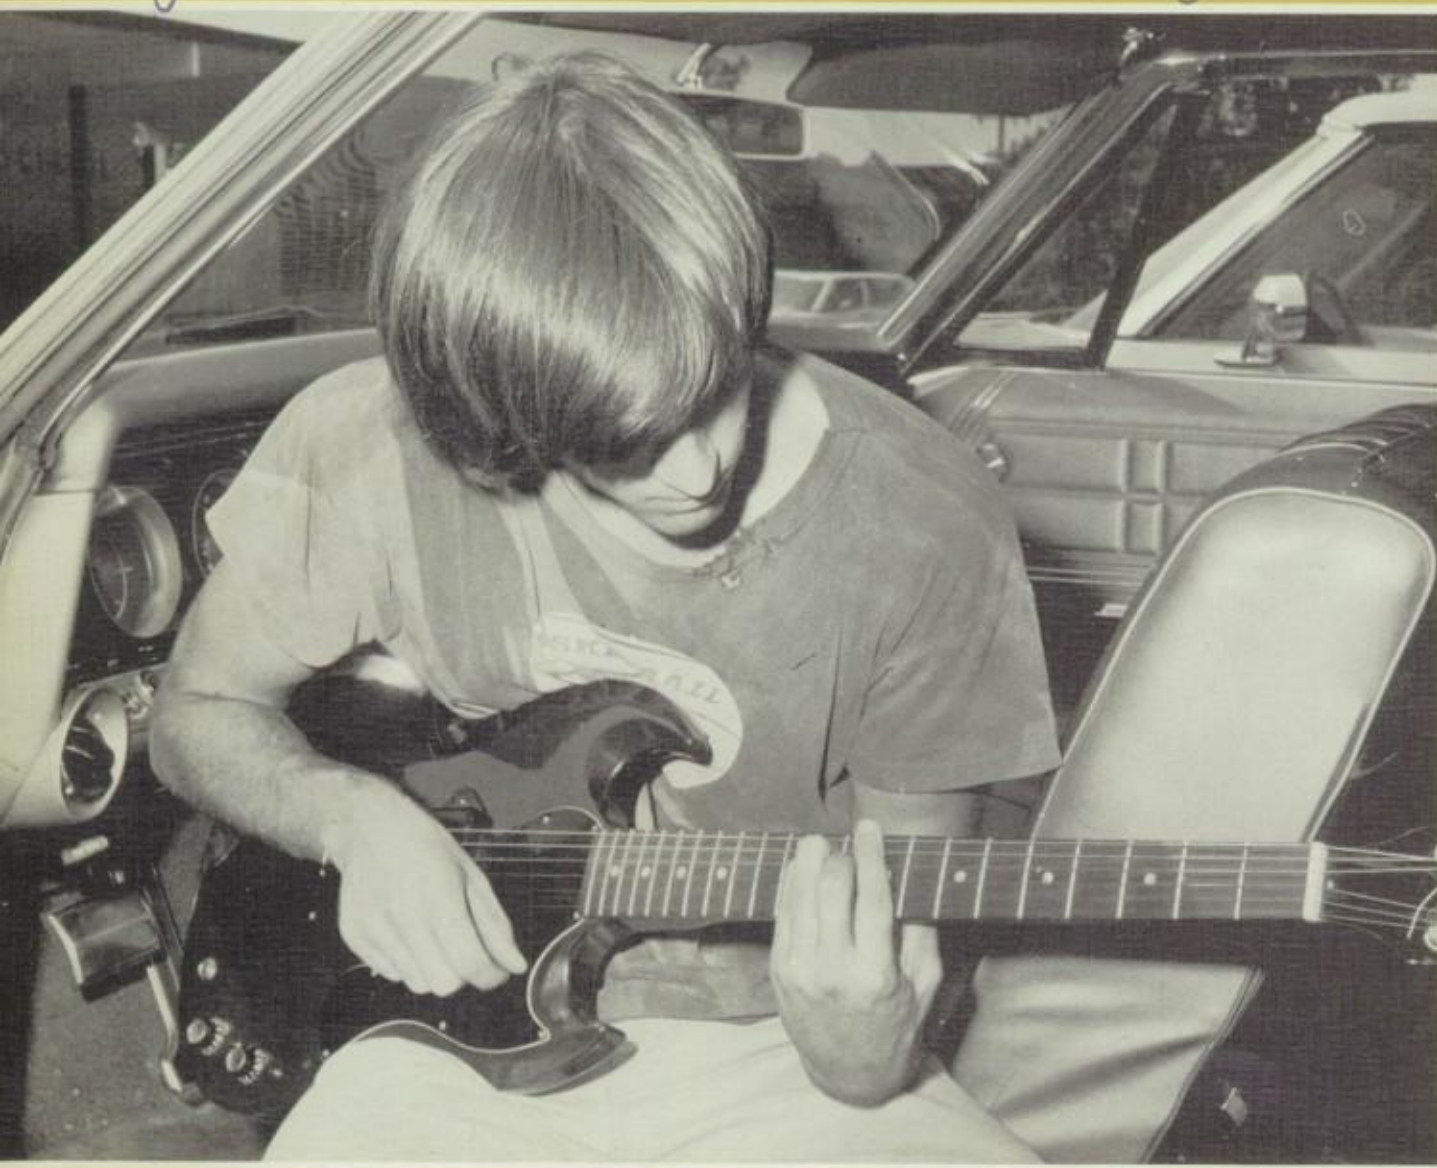

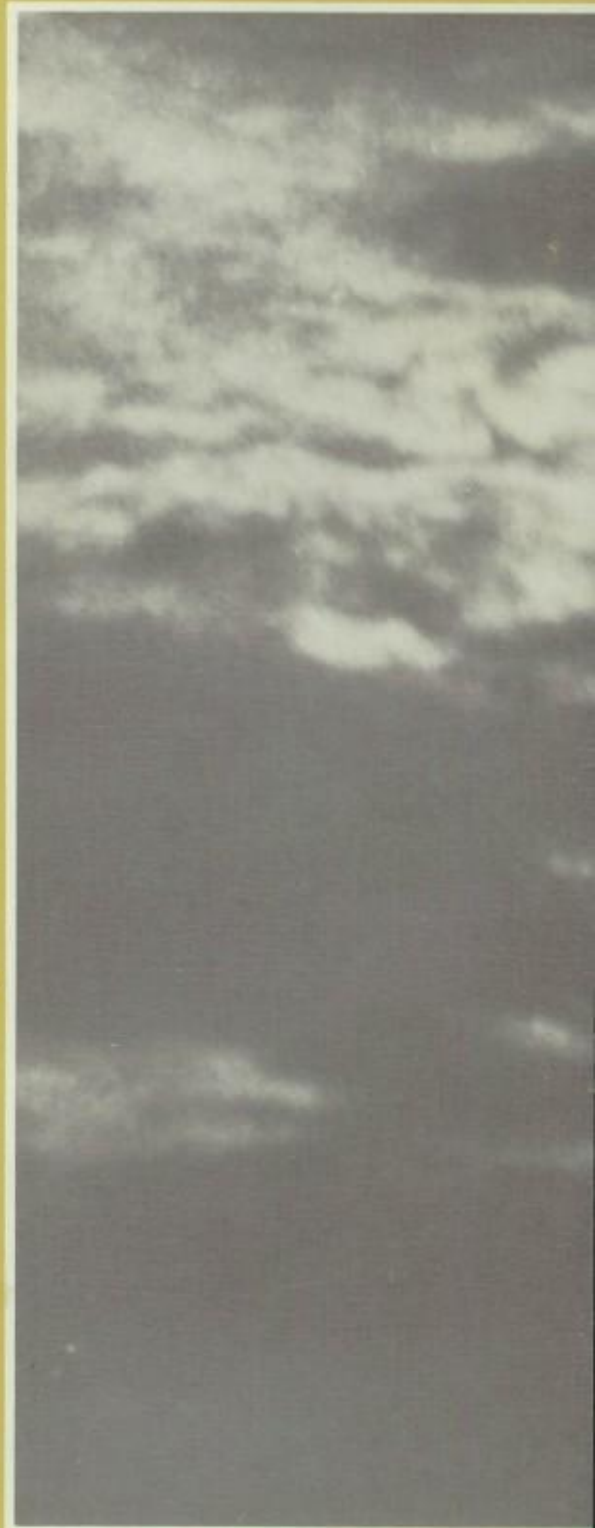

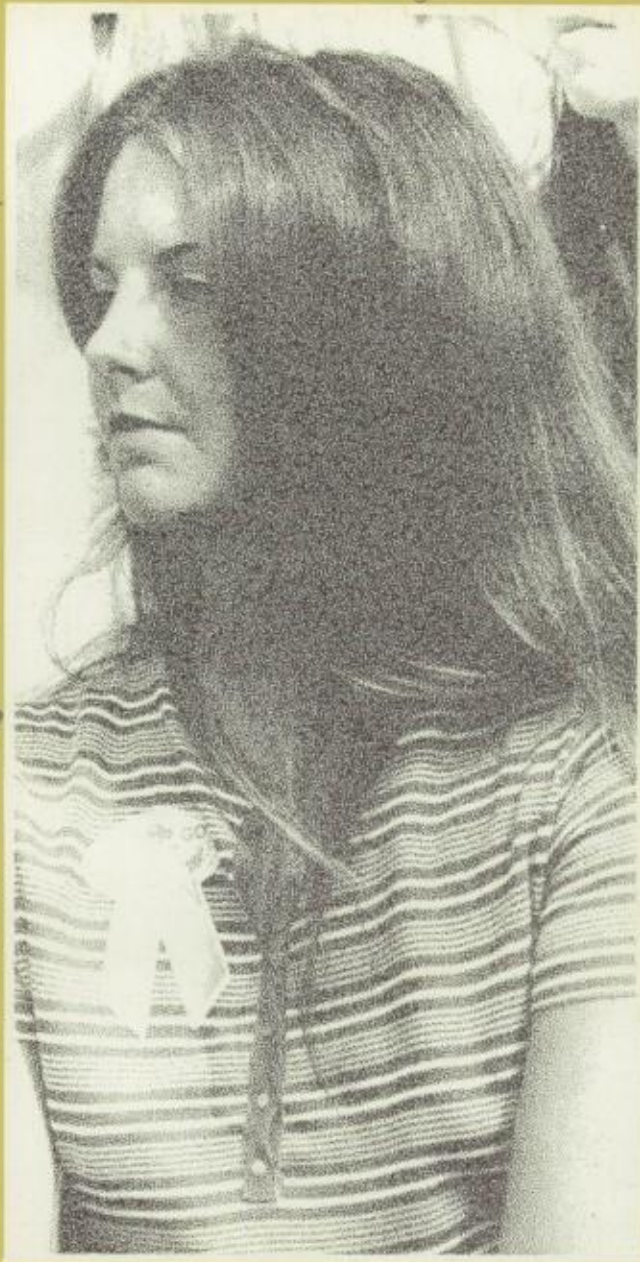

Donna,

I have known you along time, we have not always been friends, but this year we became friends, I hope we will always be good friends. I may kid you alot a make jokes but you know it is not true, unless it is good! We have had alot of fights but we have had lots of good times, too! At least I have had fun

in Art with you and Kathy, and Susan, and everyone. I don't know how to say everything I want to say. You are really a fun person and you have a good personality, I know everyone says that but it's really true. Maybe we will see each other in the summer, and I know I'll see you in the next year! We may not always walk together or talk all the time like
→

you do most people, but I know we are really friends. We have known each other a long time, but just this year you and all of of in art are really getting to be best friends. I will always remember your need for money to buy food at a bake sale. I don't have anything else that I can put into words, so. I'll see ya in the summer and if I don't, have a nice summer! Stay as sweet and cute as you are!

LOVE ALWAYS, CONZUM

Donna,

Now it's being signed
by me.

Sorry. Be careful
this summer, I'll see you
next year,

And in doing all this, search for
beauty everywhere in all its ubiquitous
forms — in nature, in music, in friends

Go out Friday night? Are you kidding? I'm a teacher!

WHO wants me in the office?

So that is what a triangle looks like!

I will not let a little headache make me lose my temper.

Get down

To work in Math
 Functions, fractions, and formulas
 Equations with two factors
 Plane geometry:
 Triangles, rectangles, and squares to dissect
 Measuring angles
 Making students go insane with Trig problems
 Matrices and determinants
 Making a better grade by using colored pencils

All I can do is pray for you, child.

THOMAS SNODDY —

Are you correcting me?

I'll take on all of you at once!

Breeding

Fruit flies for Christmas
 Rolling bowling balls off tables
 Hypnotic candle flames
 Bouncing fish eyeballs on the
 Biology table
 Experiments in Chemistry that flop
 Miles and miles of frog intestines
 Bug and leaf collections
 Rods expanded and
 Their makeup determined
 Sciences — interesting, fun, and hard

I wonder if she has an older sister?

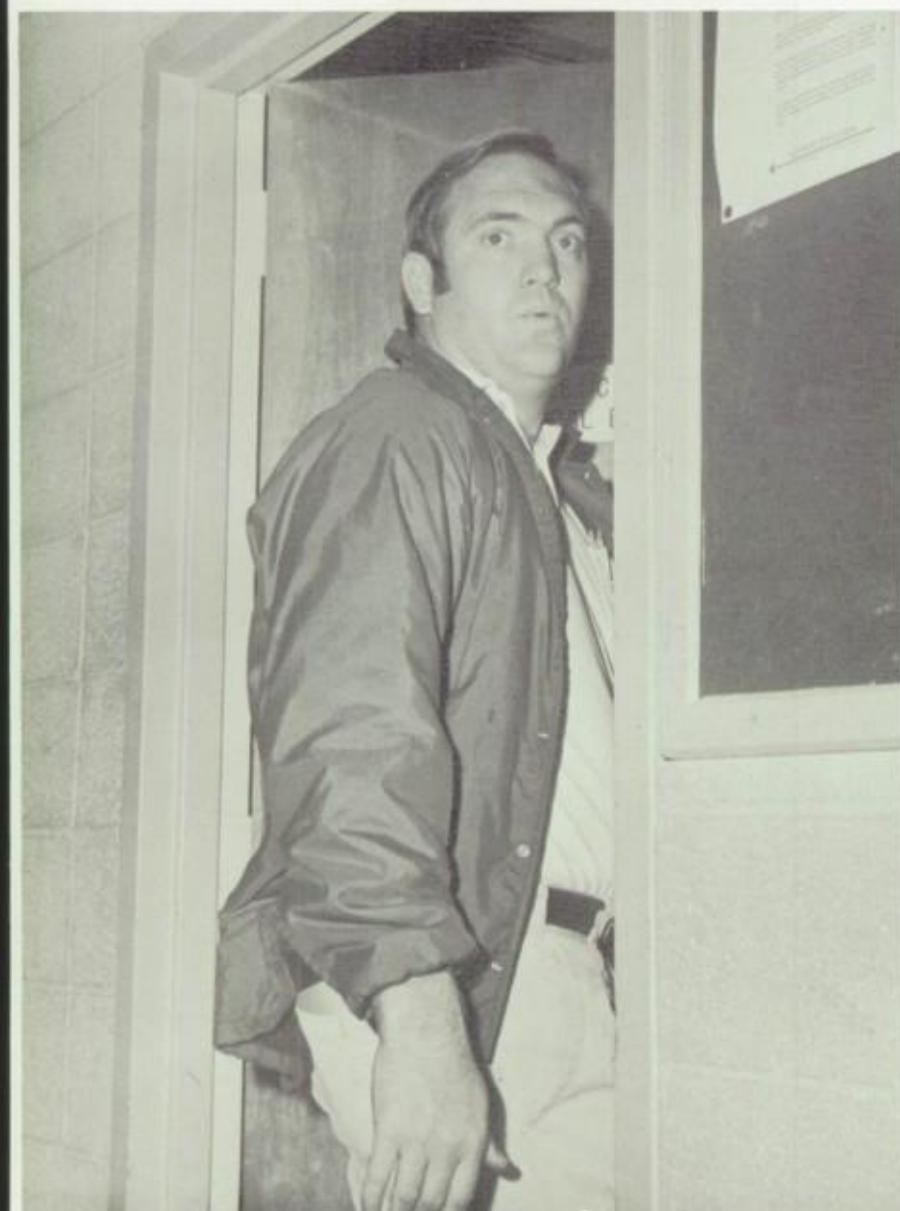

You should have seen her legs shake when she got on the balance beam.

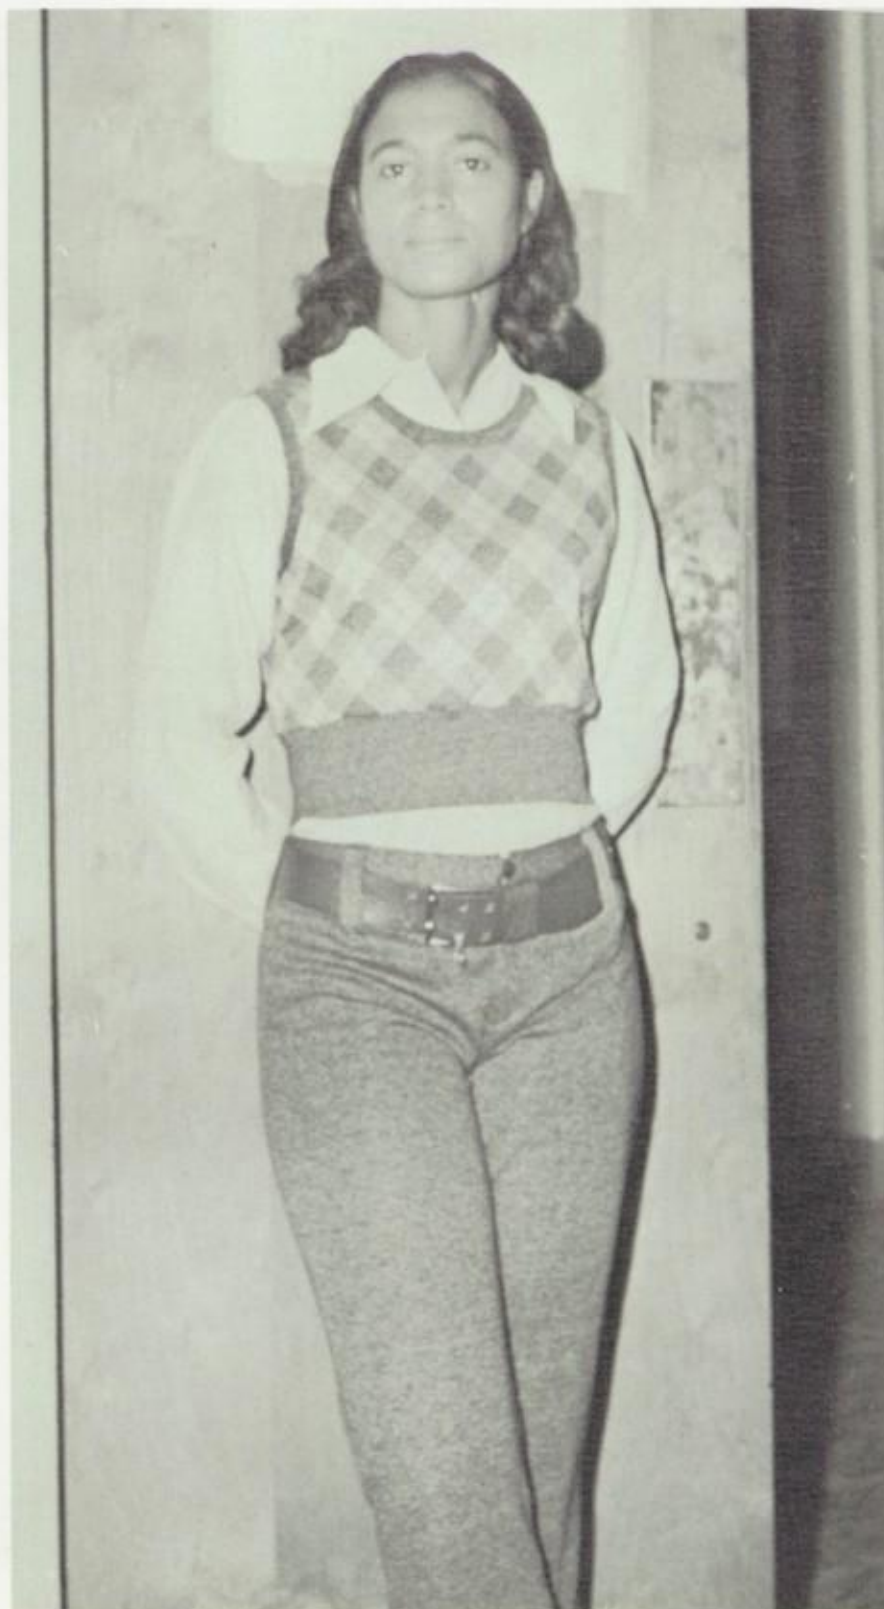

Oh! That Cafeteria's fried chicken.

Tinninkiling

With bamboo poles in PE
 Passing out after the 600 yard
 Walk-Run
 Battling on the trampoline
 Weight machines for working out
 Amateur Olga Korbut's on the
 Balance beams
 Square dancing for Everyone
 The Cross Country course to be run
 Softball on a muddy baseball field
 Spread eagles off the mini-tramp
 Stepping out of the way of a volleyball
 Getting tired, but having fun

Would you look at that body!

Me? Sensuous?

Gay fairies

In the Christmas Play
Learning a foreign language
Whistling a tune
In the microphones in lab
Present participles
Conjugating verbs
Budweiser commercials —
Sung in French
Scraping gum off the floor
Stapling blue jeans
Spanish solos
Cleaning desk tops —
Next week

Are you chewing gum?

Bug off!

Love that foldout!

New Ideas

Brought in by a new
Junior High art teacher
Tooling leather for belts
Records to set the mood
"Hire a Vet" posters
Oriental water color paintings
Working with clay
Wood sculptures
Reports on recent art shows.

Knocking knees

At first in Speech classes
Monotone
Stand up straight
Oral and dramatic interps
"Get, not git."
Impromptu speeches
Affirmative and negative file boxes
Debate tournaments: Fun, but hard!

Crooked

Bound buttonholes and
Runny fudge:
A pain for Home Ec students
Boys making aprons
Girls Knitting mittens
With two thumbs
Yeast breads that never rose
Unflaky piecrusts
Sleeves put in
Upside down
Ripping out Zippers

I think I'm going to choke!

BETTY LAWLER —
B.S.; Home Economics.
BETTY McCLURE —
B.S.; Home Economics.

You may be in Home Ec., but you don't have to look like a girl!

Alright, I heard that!

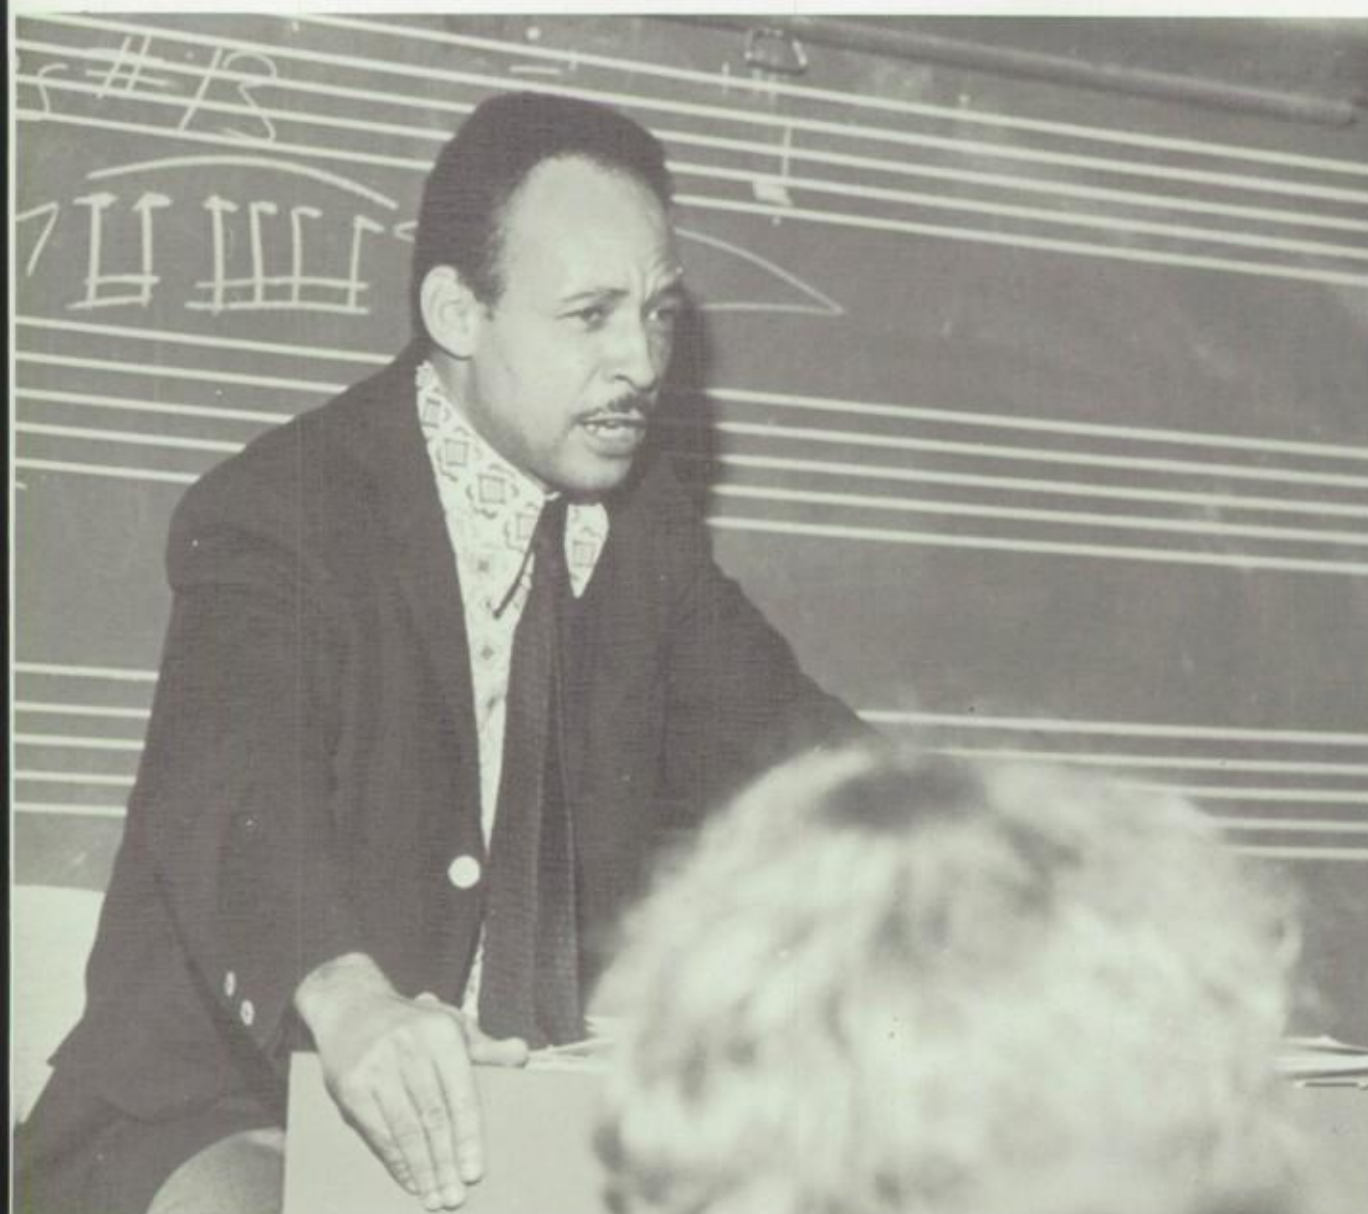

You don't think I can tear this book?

TODD MOORE —
B.S.; Choral.

LONNIE
POLLARD —
B.M., M.M.Ed.;
Band.
(Not Pictured)
ELLIS PAYNE —
B.S.; Band.

You gotta have rhythm!

A trip

To the Blue Bonnet Bowl
Fifteen hour bus ride
Termites add to
The harmony of the choir room
Band camp in the summer
Welcoming a new choir director
Elbow contact
Never a quiet moment
Always something to practice
Sloppy formations
A new appreciation for Music

Sharp

Curves taken at 60 m.p.h.
Dented fenders
Hitting the curb while parallel
Parking
Coach Bradley "gets down"
With country music
Switching lanes with
A car in your blind spot
Going out to eat
During Driver's Ed.

pation.

I'll drink to that!

Who's that behind those Foster
Grants?

Well, shut my mouth!

Speed

Tests taken on jammed typewriter.
Twenty words per minute
Fifteen dollars out of balance
Erasing holes in your typing paper
Keep eyes on copy
Accuracy
Feet on floor
Sit up straight
New typewriter ribbon

Passes

To the library
To get out of Study Halls
Finding lost books
Using the reference room for
Term papers
Librarians to keep everyone quiet
Finding helpful aids in
Audio-Visuals
Unorganized Dewey Decimal System
But an organized library

Getting high in the teacher's lounge!

Now what was that word he called me?

ELIZABETH
CARPENTER —
Head Librarian.

MATTIE FULLER —
Librarian.

CHARLOTTE
RAY —
Librarian.

(Right) Vestavia police?
I just planted a bomb . . .

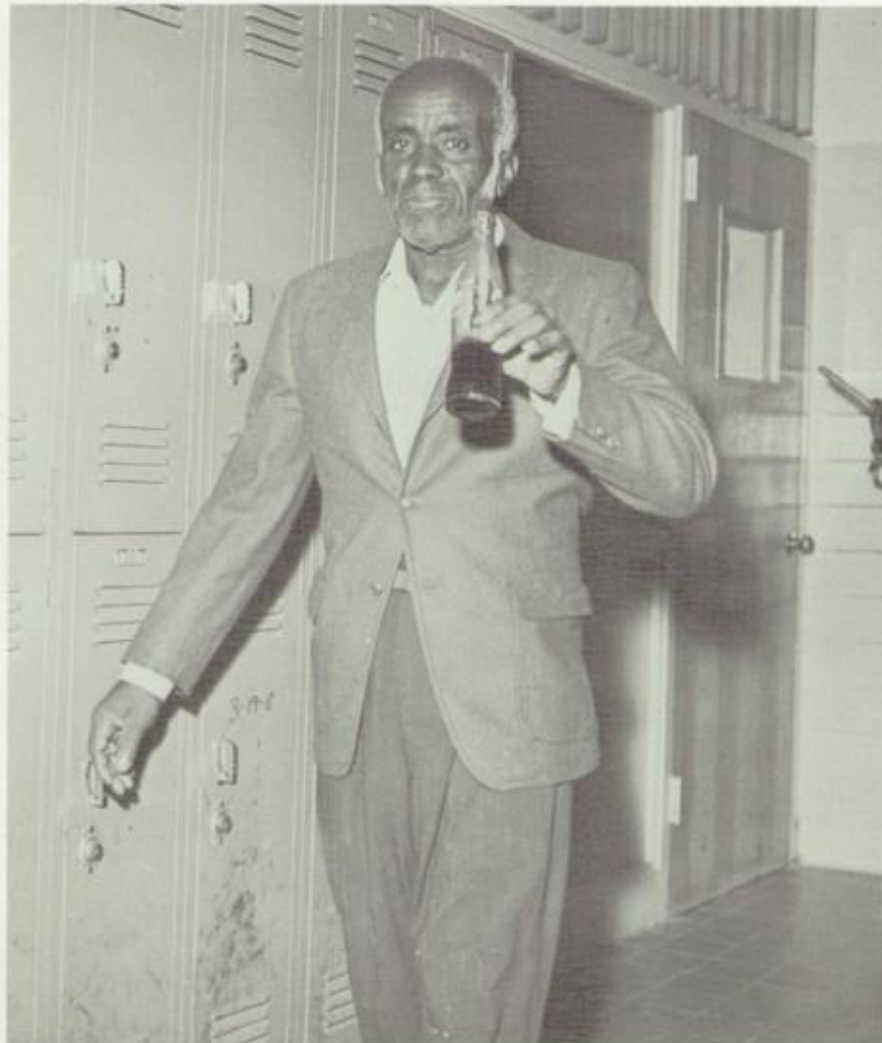

One Ringy-Dingy . . .

Grubby

Halls to sweep up and floors to be waxed
 Plenty of food in the lunchroom not sold
 Melted popsicles and rock-hard ice cream
 To miss a test:
 Play sick in the Sick Bay
 A rough ride home Over curbs
 Janitors, Nurses,
 Cafeteria Staff, Bus Drivers:
 A necessary part
 Of the typical school day

It's the real thing!

Leave the driving to us!

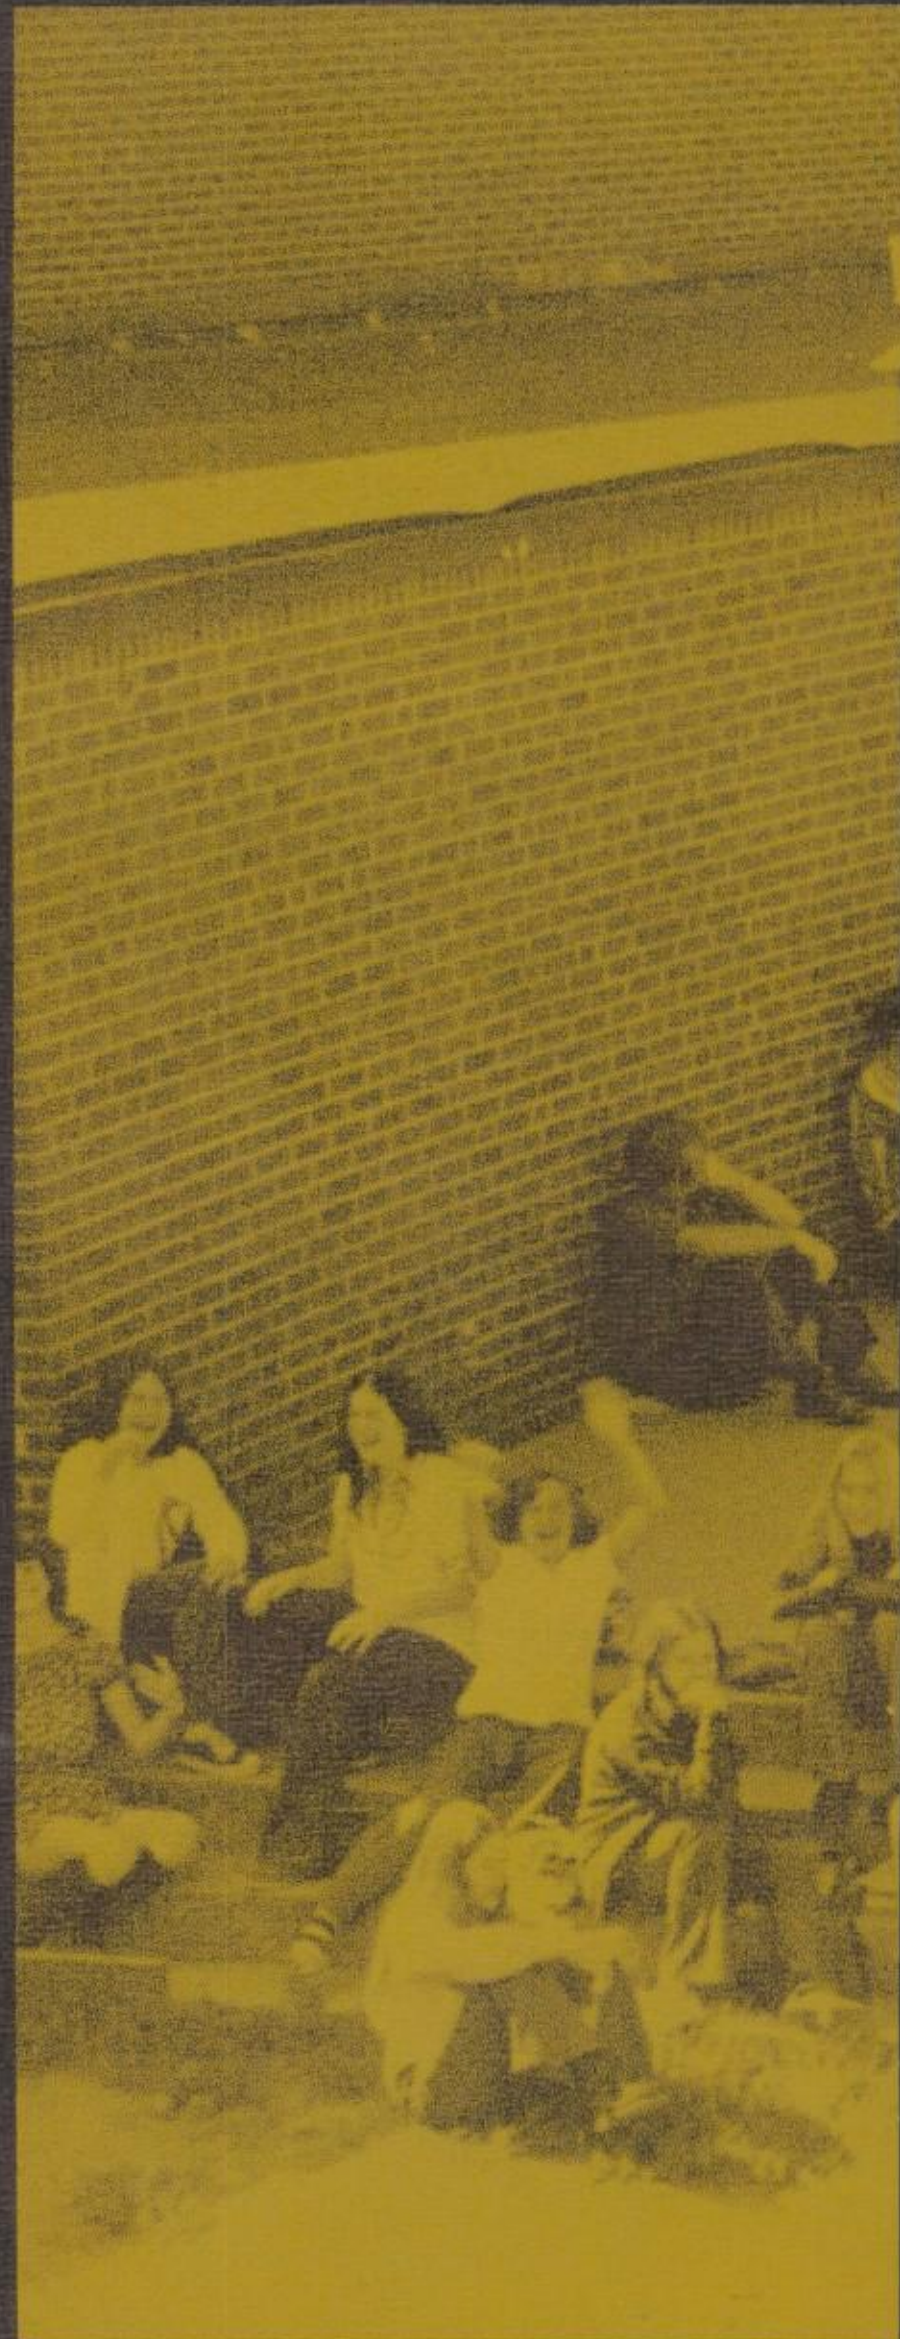

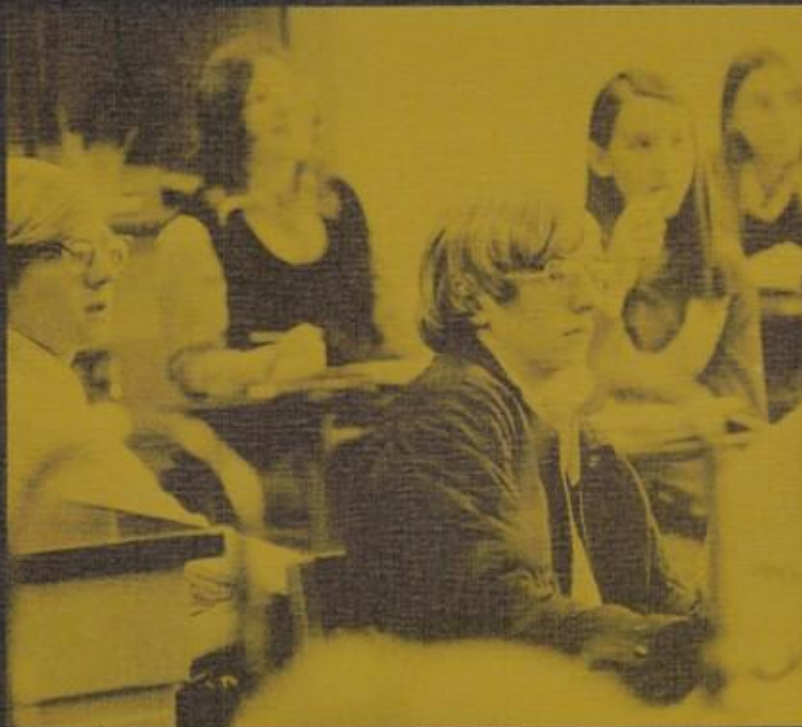

One eye of newt . . .

Job 14:14 asks this question, "If a man die, shall he live again?"

Voltaire was an infidel of the most pronounced type.

He wrote, "I wish I had never been born."

Seniors graduate with a certain amount of wisdom in how to live,
But are taught nothing in how to die.

John 3:16, "For God so loved the world that He gave His only begotten Son, that whosoever believeth on Him should not perish but have everlasting life."

"SOMETHING BESIDES A HATRACK"

At Sullivan, Long & Hagerty, we try to use our heads for something besides a hatrack!

We believe our clients pay us for two things.

One: TO THINK.

Two: TO DO.

Careful planning precedes construction when you make a contract with Sullivan, Long & Hagerty. We think this governs the success of any construction project. If desired, our engineers are glad to work with your engineers and/or architects while you are planning your project. They can give you the benefit of their experience. They are often in a position to suggest a more economical construction procedure.

For the solution of any construction
 problem anywhere:

Farewell to you and the youth I have
spent with you.

It was but yesterday we met in a
dream . . .

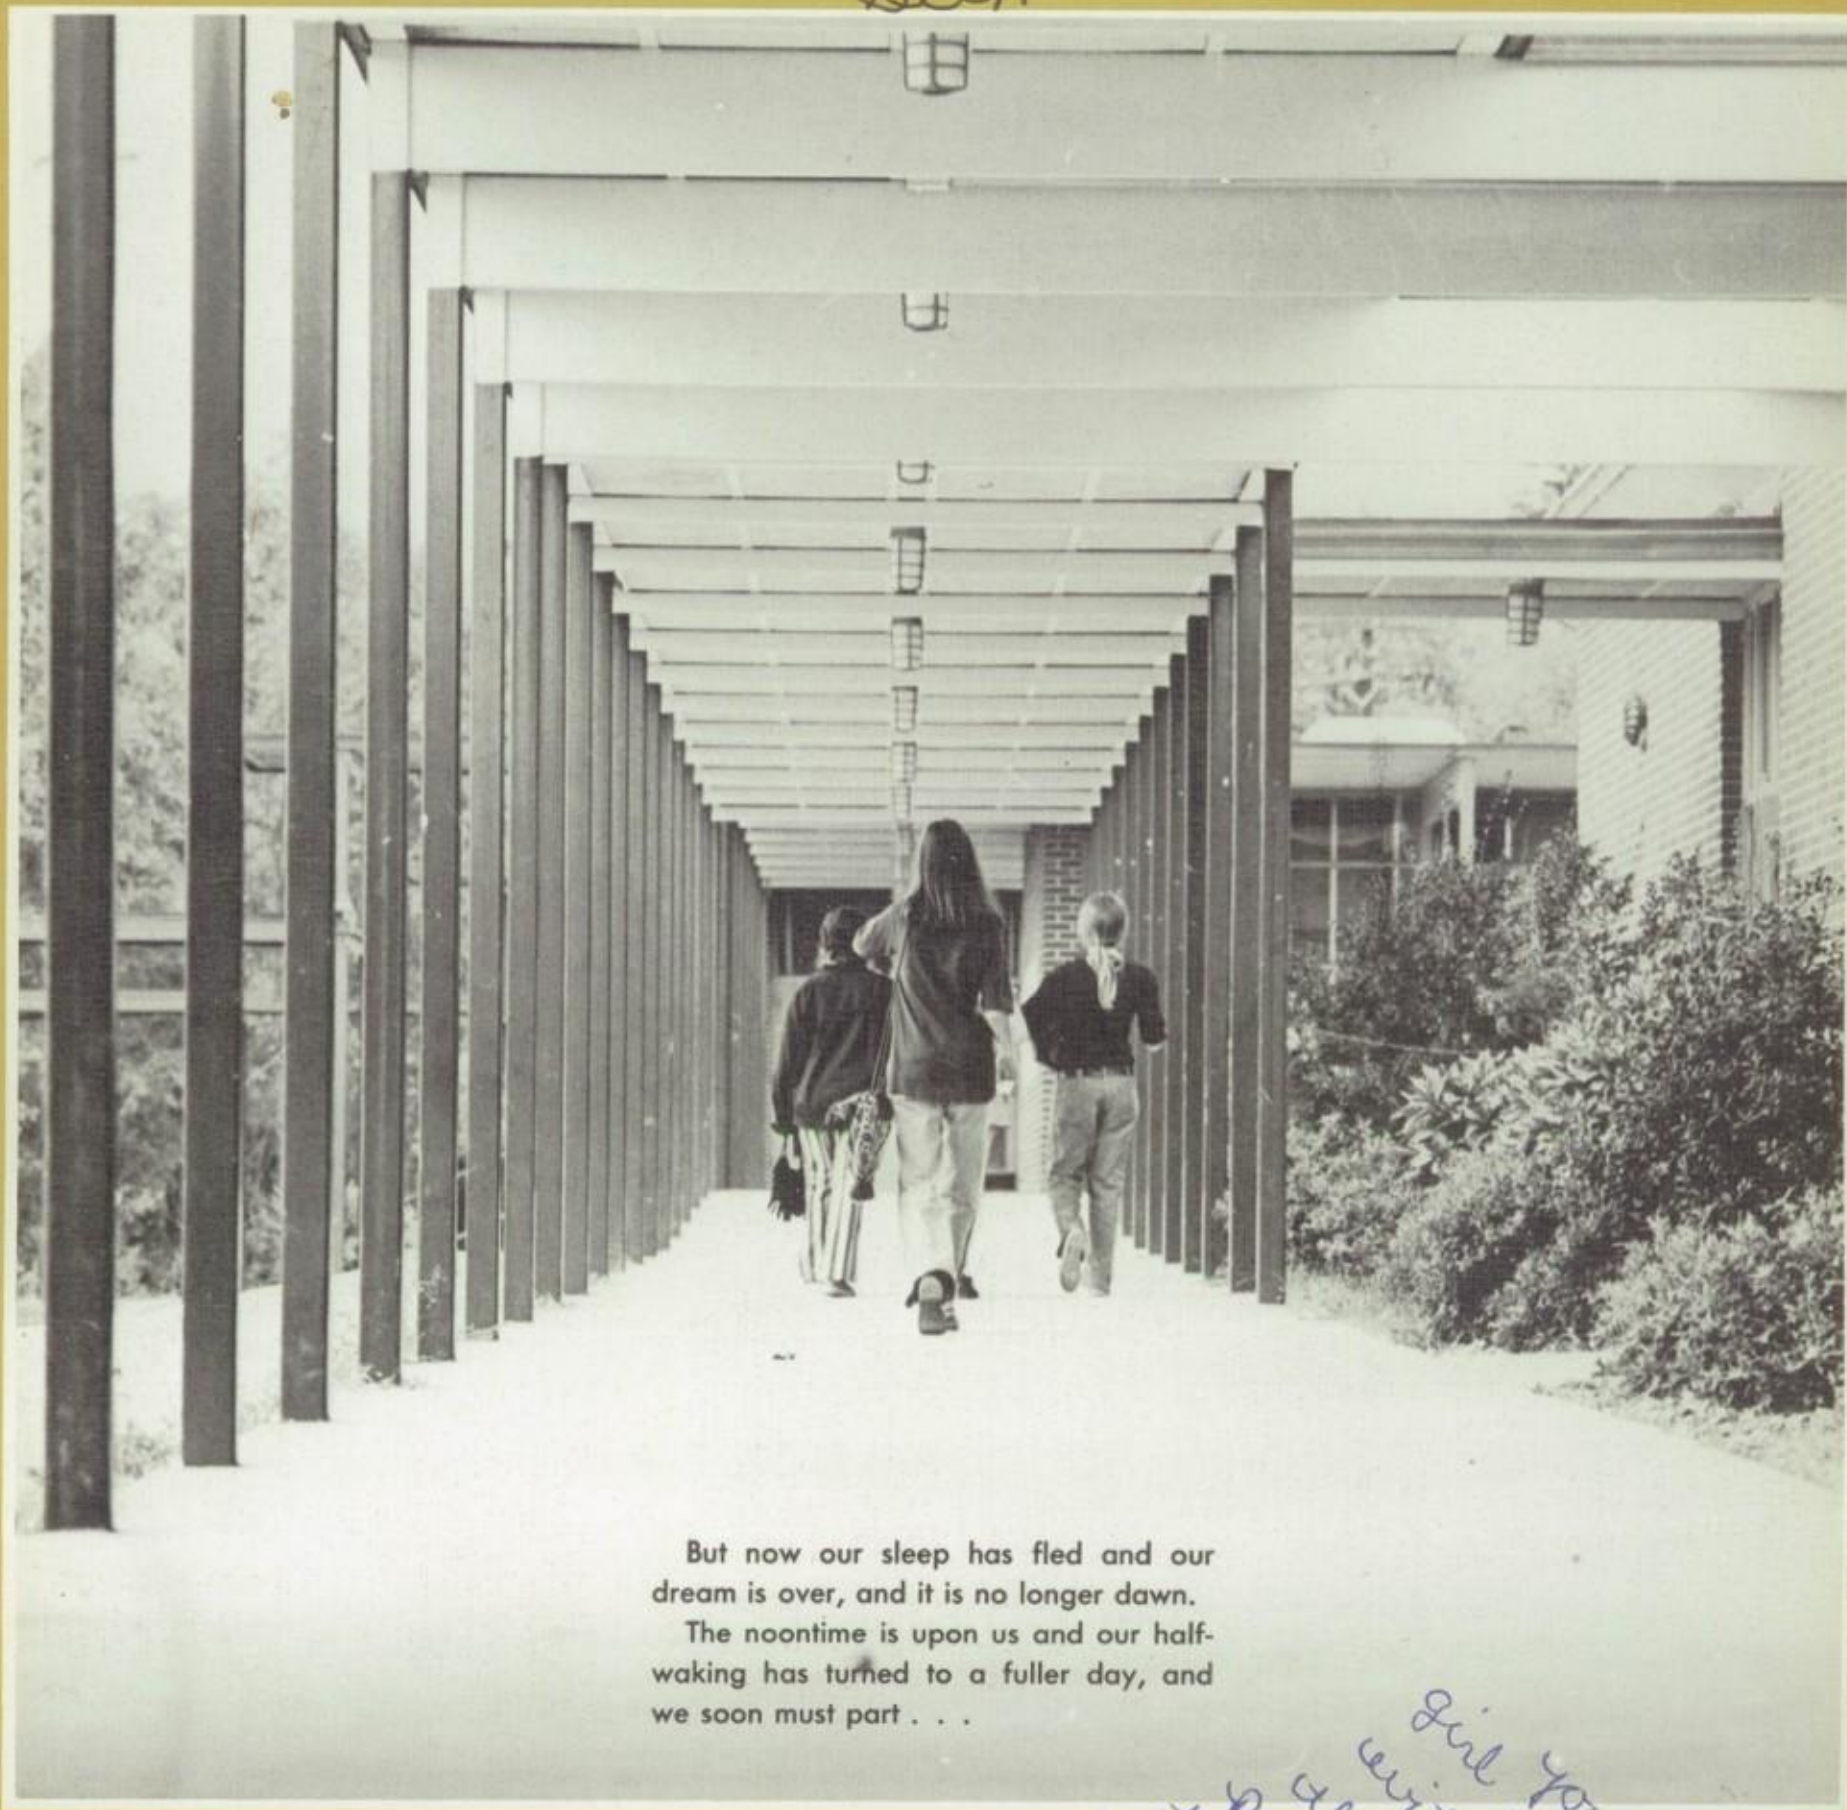

You have sung to me in my aloneness,
and I of your longings have built a tower
in the sky . . .

Donna,

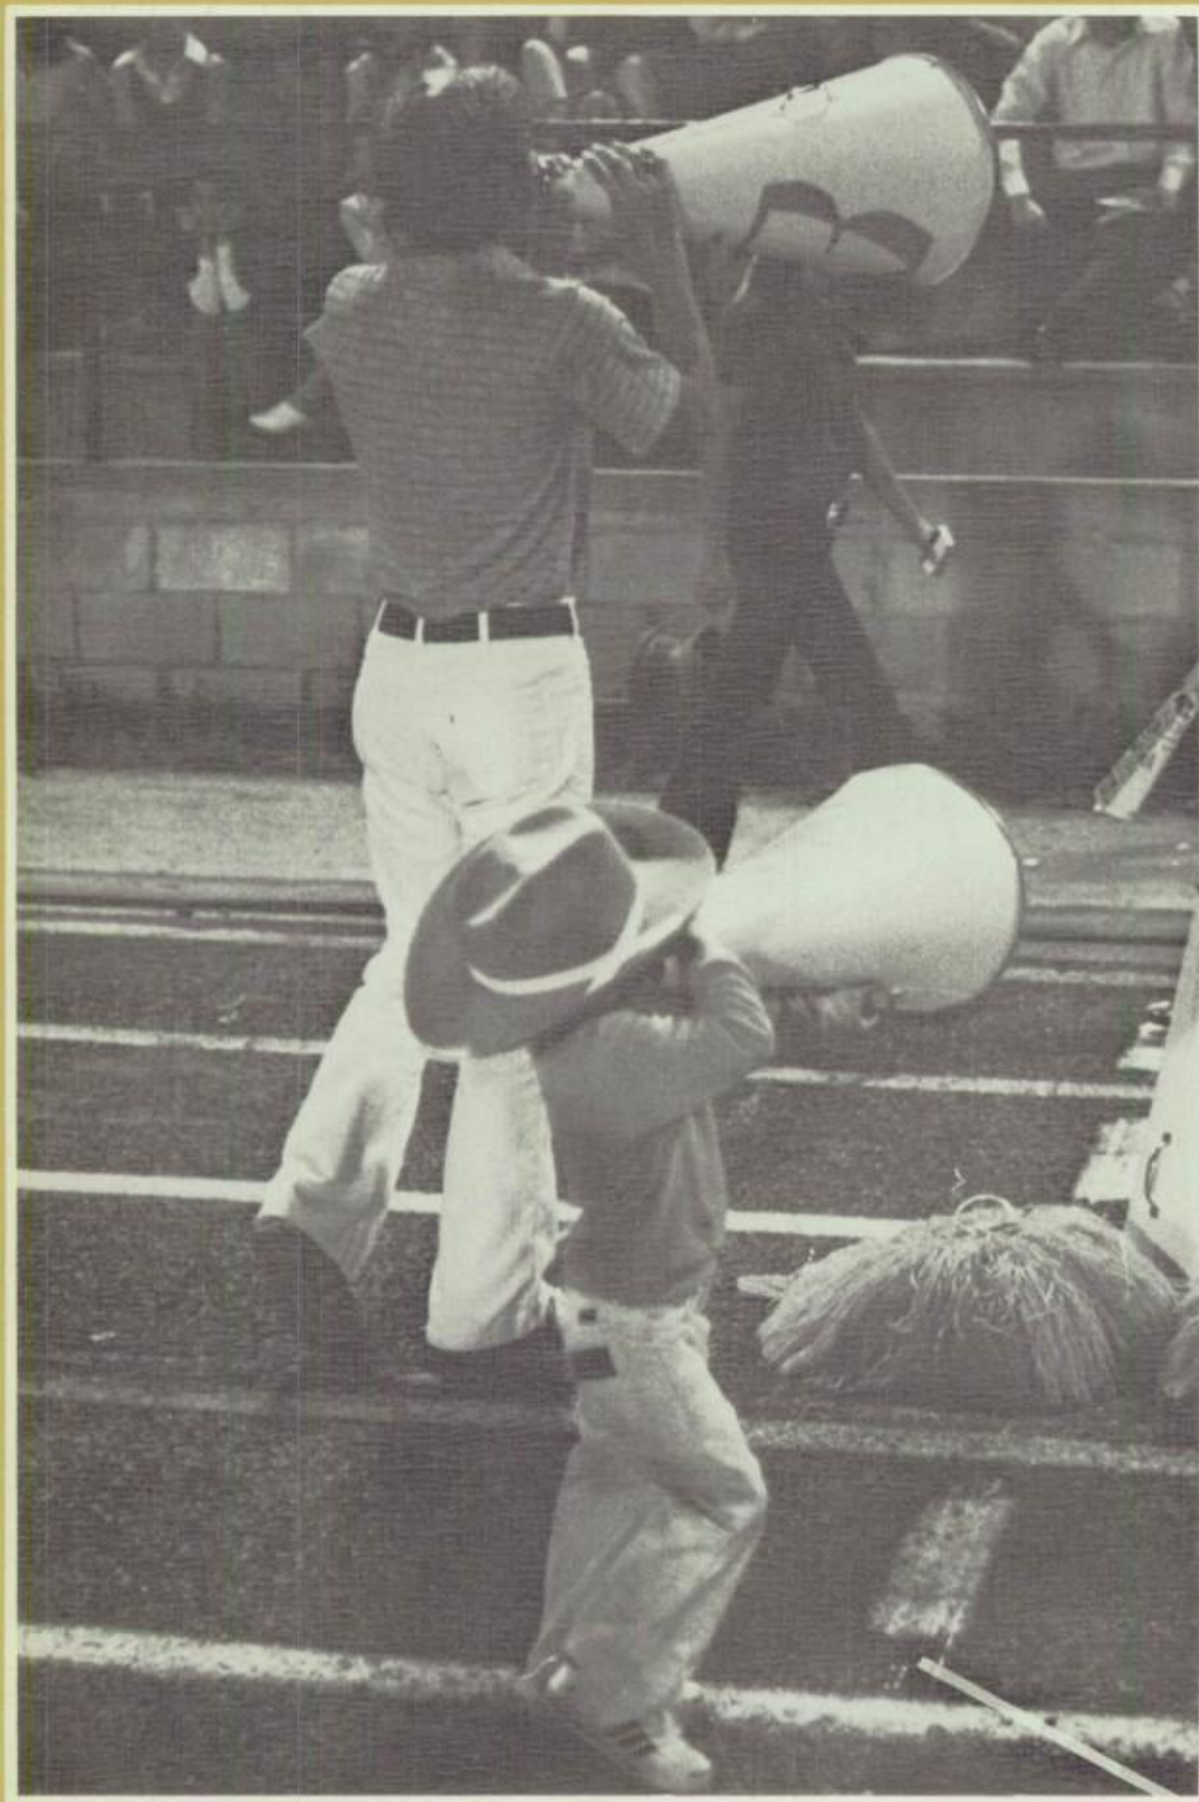

You are one of the nicest & sweetest girl's I know,
Hope to see a lot of you this summer. I probably beat
the ball park a lot so maybe I see ya. Stay the way you
are & you'll go far. Love ya,
Beth

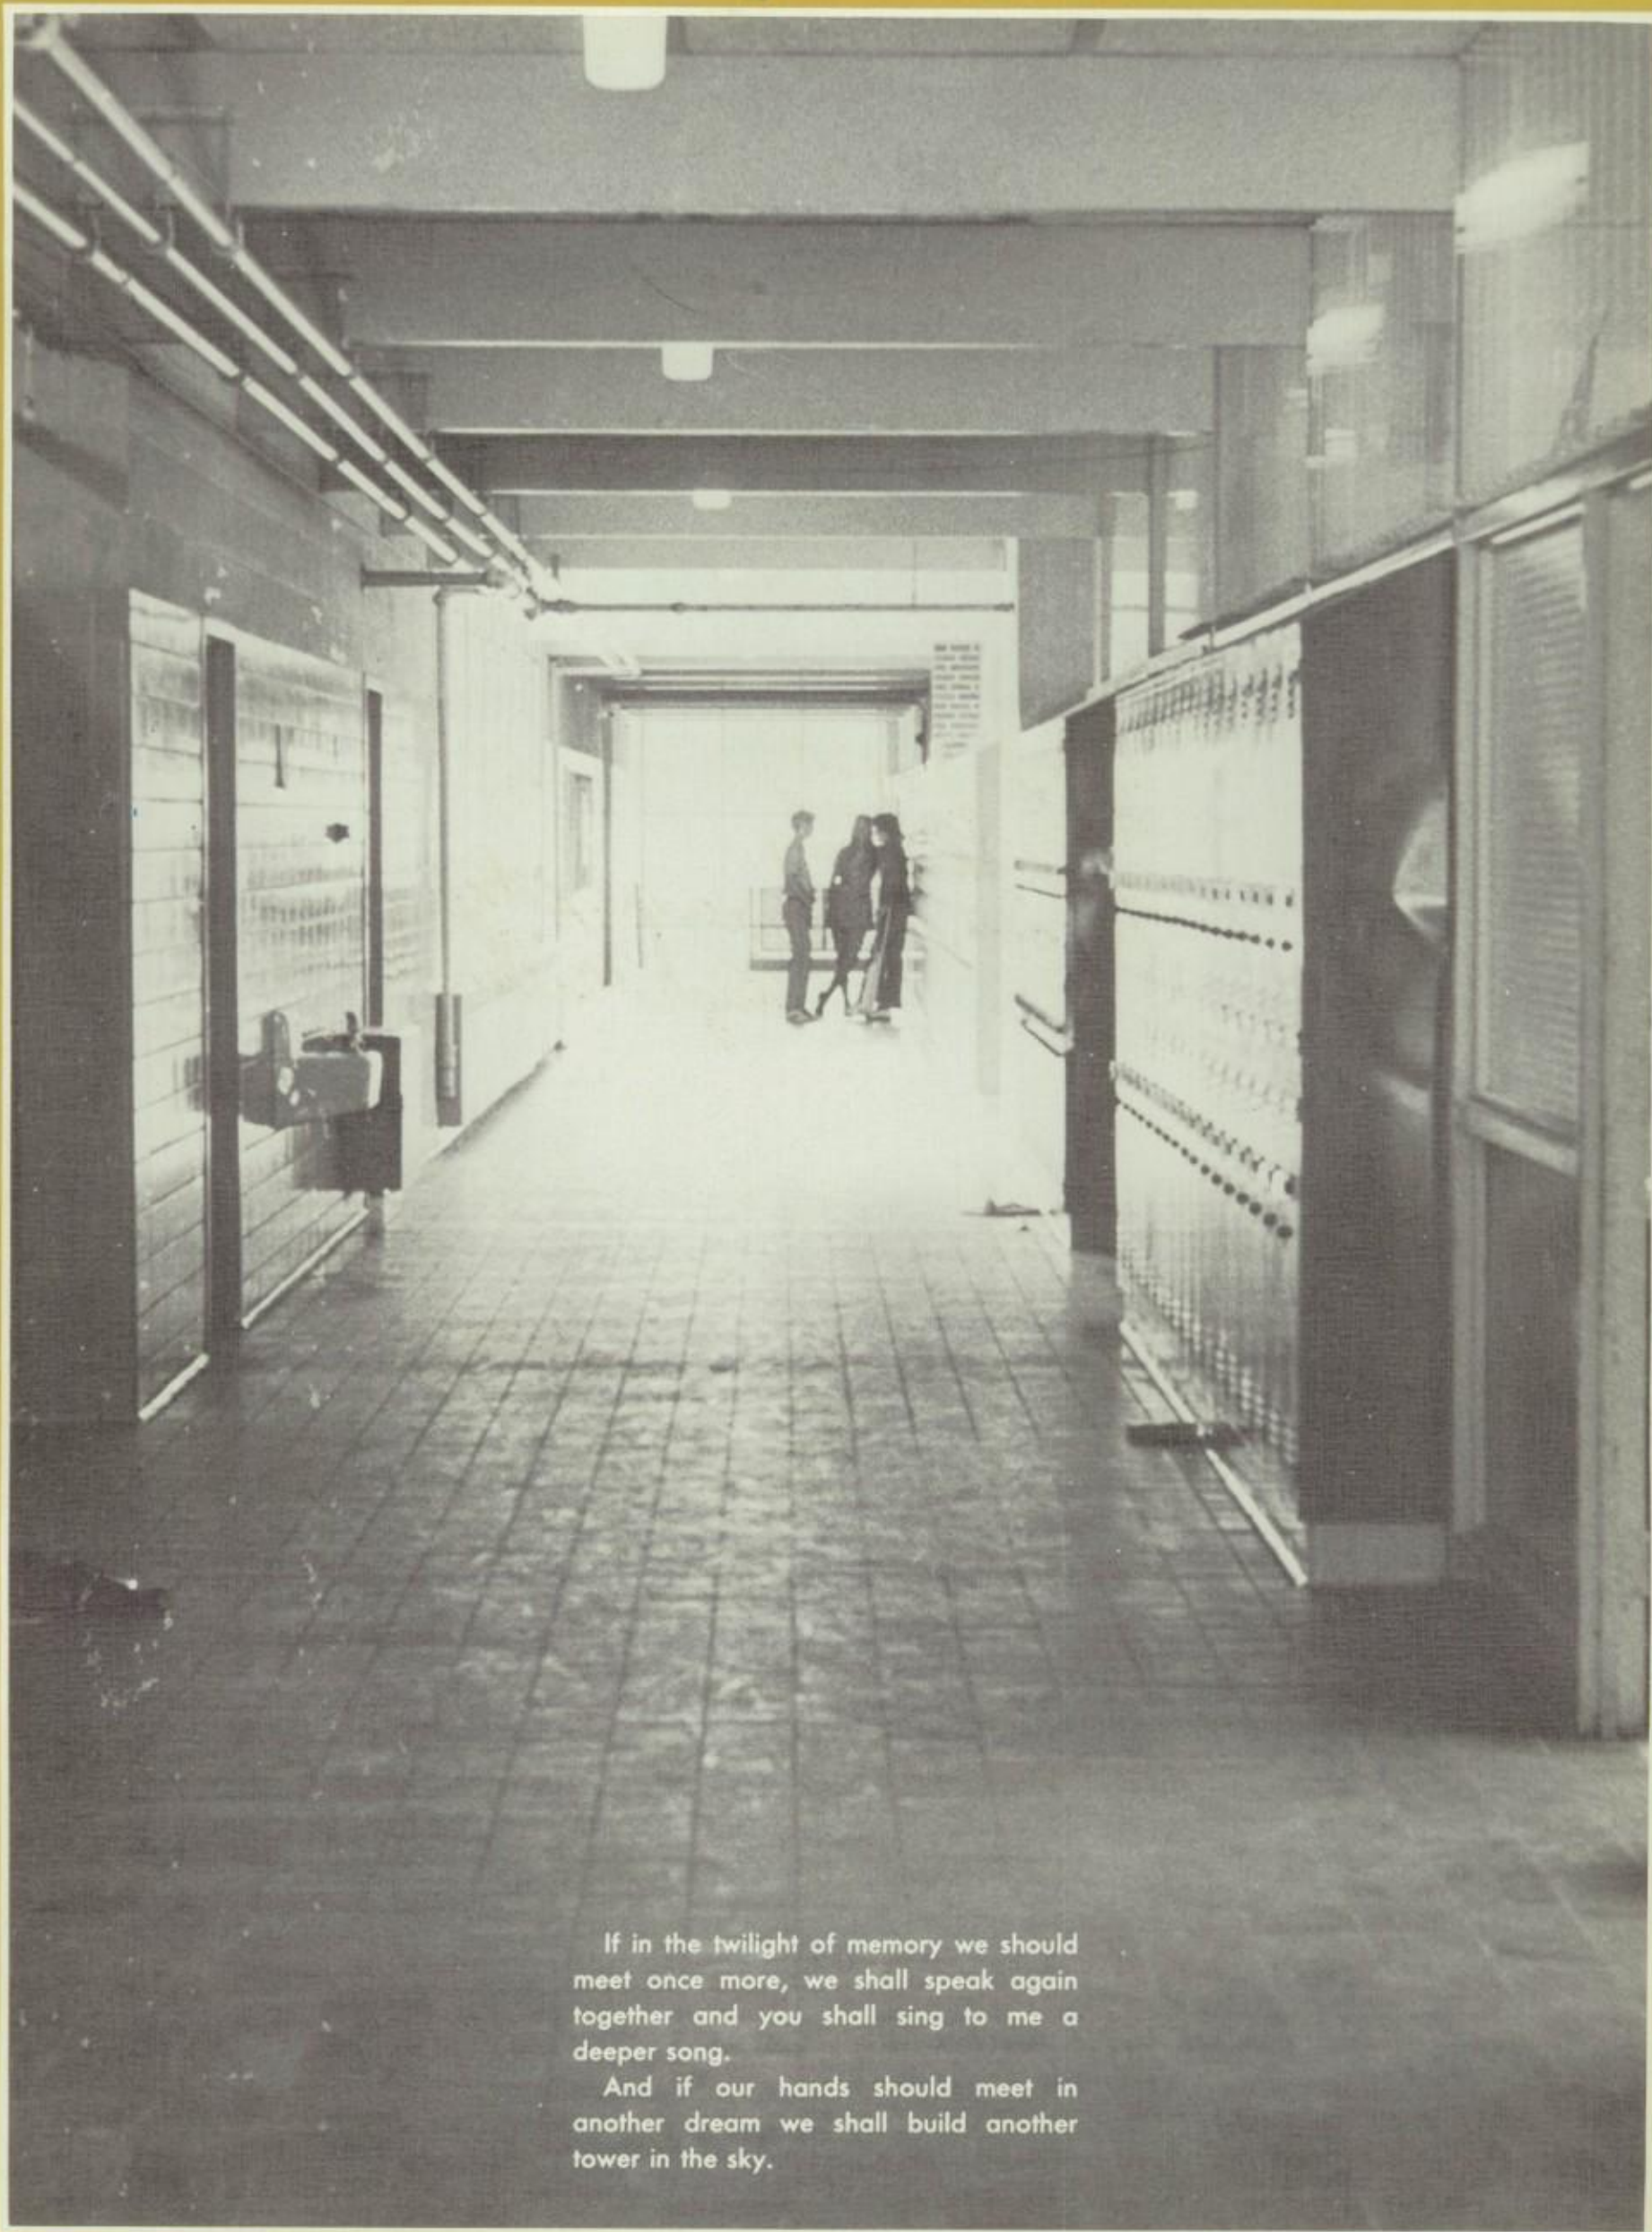

But now our sleep has fled and our
dream is over, and it is no longer dawn.

The noontime is upon us and our half-
waking has turned to a fuller day, and
we soon must part . . .

Donna,
Girl you're a real nice
with. and fun. I hope
this summer you'll be
probably see you at
the ball park. don't
you have summer fun
you're in trouble. Good
luck in next year.
Cheryl!!

If in the twilight of memory we should
meet once more, we shall speak again
together and you shall sing to me a
deeper song.

And if our hands should meet in
another dream we shall build another
tower in the sky.

Donna,
 You are one of
 my favorite
 friends (you are)
 bright and nice. With
 all those qualities you
 will succeed in life. The
 brightness of your smile
 will light up the path of happiness
 for those who are. Dabiana
 heartbroken. Good luck
 forever. Kelly

DONNA,

I'LL REMEMBER YOU TO MY GLASSES
 ARE BROKEN.

I'LL REMEMBER YOU IF MY DRESS
 IS TORN.

I'LL REMEMBER YOU IF MY LEG
 IS CUT.

IF I CAN REMEMBER YOU
 THROUGH ALL THIS I MUST
 REALLY LIKE YOU! IDO

LENDSEY

Donna,
 It has been
 nice to have
 you in my
 class. See you next year
 Hugh Miller

Donna,

Even though we didn't know
 each other at the beginning of
 the year, we have become
 pretty good friends. Keep
 on being as pretty as you
 are & keep up your
 good personality. Hope
 I have more classes
 with you next year!

P.S. Hope to see
 you over the
 summer!

Love ya
 Ann

Donna,
 Even though
 this year, I
 am not with
 you and you
 are going
 away, I hope
 you can
 remember me
 and hope
 you are
 happy.

Donna,
It has been
fun seeing you this
year. Hope you
more next year.
Luv,
Druce

It has been nice knowing
you this year Donna. I
hope you have very happy
years to come. I hope
that one day I I I I

will like you. You never can tell.
IF you don't get him you may
be able to get FRANK WELCH. I heard
you liked him again. You may be able
to hook somebody before the year is
up. I want you to remember me
because if you don't I will be
very dissapointed. You also have
to remember Chickenman because he
may get mad and jump out of a
window without his wings and
wound himself and I will blame
you for it.
